**MEET A PTA BOARD MEMBER:  
NICOLE ZASA**

- Position: VP of Events since 2021
- Children: Peyton (6, 1st grader at KP), and Rocco (3)
- Neighborhood: Kings Park
- Exercise: Preference is kickboxing, reality is walks/hikes with the kids and occasional weights
- Hobby: I love to make/create whether it's cooking, baking, or various arts projects
- Hometown: Staten Island, NY
- College: Fashion Institute of Technology
- Favorite Quote: It's work related for me but Sara Blakely from Spanx has said "Sell the solution, not the product" and I like being a solution oriented person in all aspects so this is a go-to for me.
- Favorite Children's Book: I always enjoyed "Giraffes Can't Dance" and "Pout Pout Fish" for my kids. My daughter and I have a combined love for the Eloise books as well.
- Favorite PTA Event: The Earth Day event last year was so well done, I really enjoyed that.
- Fun Fact: I love stand-up comedy either in person, podcast or a Netflix series. I'm also a huge fan of theme parties, I love a good excuse to dress-up in something you normally wouldn't wear.
- Advice: "You can't pour from an empty cup", basically just make sure you take care of yourself first, if your needs are met as an individual it allows you to be better and show up for everyone else in your life too.
